

Asset number

851953001

Description

Obverse

Part of a Neo-Assyrian clay tablet: the text comments on excerpts from tablet 50 of the celestial omen series 'Enuma Anu Enlil' ('When the gods Anu and Enlil . . .'). The text is written in 77 lines of cuneiform inscription.

Using this image

Please note that images on this database have been taken for a variety of purposes and may not be suitable for publication or any commercial use.

Commercial use

To license images for charged-for journals and publications, and other commercial uses, please contact sales@bmimages.com and BM Images will advise on the quality of the existing files. While image files may be relatively large, they may not be adequately colour-managed and may not accurately reflect the appearance of the object.
